

## 2022/2023 Summer Research Project Description

Please use this template to create a description of each research project, eligibility requirements and expected deliverables. Project details can then be uploaded to each faculty, school, institute, and centre webpage prior to the launch of the program.

<b>Project title:</b>	<b>Do Inclusive Workplaces Matter? Examining Gender and Racial and Ethnic Diversity in Australian Workplaces</b>
<b>Project duration, hours of engagement &amp; delivery mode</b>	<p>Duration of the project, 6-10 weeks during Summer Vacation.</p> <p>Hours of engagement must be between 20-36hrs per week</p> <p>COVID-19 considerations: The project can be completed under a remote working arrangement.</p>
<b>Description:</b>	<p>Please insert a project description to give applicants a comprehensive overview of the project.</p> <p><i>The aim of this project is to understand how workplace context (e.g., industry, workplace policies, racial/ethnic composition) shapes worker outcomes, with a focus on racial, ethnic, and linguistic minorities. We use several nationally-representative datasets to analyse the data.</i></p>
<b>Expected outcomes and deliverables:</b>	<p>Please highlight what applicants can expect to gain/learn from participating in the project, and what they will be expected to complete as a part of the project.</p> <p><i>Scholars will gain skills in literature review searches, data collection, data coding, and have the opportunity to generate publications from their research. Students may also be asked to produce a report or oral presentation at the end of their project.</i></p>
<b>Suitable for:</b>	<p>Please highlight any particular qualities that individual supervisors are looking for in applicants to assist with the selection process.</p> <p><i>This project is open to applications from students with a background in sociology or social science discipline. Some statistical knowledge is preferred. Students from racial and ethnic minority backgrounds are encouraged to apply.</i></p>
