

The 1st International Colloquium on Jeju Studies

Jointly Hosted By

Korean Studies Centre at the University of Queensland

and

Research Institute for the Tamra Culture, Jeju National University

Theme: Internationalisation of Jeju Studies and Research Collaboration
between KSC at UQ and RITC at JNU

Date& Time: 10.00am ~13.00pm, Friday, 30 January 2026

Room: W349, Collaborative Room, Forgan Smith Building (West)
School of Law, the University of Queensland, Australia

Purpose: To seek ways to cooperate with each other to achieve the following objectives:

- Joint research on the preservation and diffusion of language and culture in Jeju and Australia;
- Cooperate in the operation of educational programs related to literacy (carbon literacy, environmental literacy, media literacy, digital literacy, AI literacy, etc.);
- Collaboration in R&D common system related to sustainable community building;
- Co-organizer and participation in international joint forums;
- Student and Researcher Exchange Program;
- Through folk materials and actual historical materials that have been handed down in Jeju, we will study Jeju's character and Jeju's identity; and
- Mutual cooperation on other projects promoted by both organizations
