ABOUT THE SPEAKER

Mr Jang Wook Lee is currently CEO of Jemix Home, Korea. He has received BA (Electronic Engineering major) from Yonsei University in Seoul and MA from SAMSUNG Tech. Korea. Mr. Lee has internationally worked for SAMSUNG R&D Centre in Korea, LSI Logic in Canada, Confucius Institute in China, and E-BSI in Singapore. He is a global entrepreneur and has established two companies including ‘HOME TV INTERNET’ in 1999 and ‘Jemix Home’, Korea, in 2017.

‘Jamix Home’ has undertaken many projects with the funds from private and public organizations. The major projects that ‘Jamix Home’ completed successfully include HSK (Chinese iBT), Dtizen Studio Entertainment service, KBS KLT (Korean Language Test), E-teaching Portfolio system (being used by several universities in Korea), Dtizen Academy AI Education in Australia, and so on. The main products of ‘Jamix Home’ are connected to Learning Management System (LMS) developed for many Korean universities with funds from governments. The current business and R&D areas of ‘Jamix Home’ are related to On-line Study (with AI), AI Metaverse, English & Korean Debate (with AI), AI eBook, On-line TEST (with AI), and so on.
