"Nol-meong, Swimeong, Georeumeong, Gansedari"

A phrase in Jeju language meaning "playing, resting, walking, and being a lazy bone", symbolising the JNU community stepping away from lectures and classrooms for a while to share thoughts on career paths and campus life on the Jeju Olle Trail, as if indulging in a luxury of momentary idleness. This program provides a great opportunity for learncation in Jeju, Korea!

*Please note: this webinar will be presented in Korean with English text
